# WIRELESS PERSONAL VIDEO COLLABORATION KITS

Logitech® Personal Video Collaboration Kits empower dispersed teams to stay engaged and aligned from wherever they work. Each kit features the Brio webcam and your choice of the Zone True Wireless Earbuds or Zone Wireless headset — delivering studio-quality audio and life-like video for maximum collaboration and peak productivity.

## LOGITECH WEBCAM AND HEADSET COMBINATION

Turn any personal workspace into a focused collaboration space with a Personal Video Collaboration Kit. Paired with the Brio webcam in preconfigured bundled solutions, the Zone True Wireless *Bluetooth*® earbuds and Zone Wireless *Bluetooth*® headset are specifically designed for video meetings in busy workspaces with certified noise canceling mics. Together, they are compatible with virtually any video conferencing software, making them as easy to deploy as they are to use. Priced for deployment at scale, both kits empower any size organization with tools to foster a culture of collaboration.
