

DATASHEET

H650E HEADSET

Enjoy USB plug-and-play connectivity using a flat, no-tangle cable. H650e delivers clear audio with features such as acoustic echo cancellation and a noise-canceling mic. It's all intended to make your calls as productive and comfortable as possible.

- **Enterprise-grade audio:** With digital signal processing, acoustic echo cancellation, and noise-canceling mic, you can hear and be heard in noisy workspaces.
- **Intuitive in-line controls:** Easily answer or end calls, adjust volume, and mute/unmute calls at your fingertips.
- **On-call busy light:** The LED indicator on the backside of the boom provides a visual alert to those behind you that you are on a call.
- **No-tangle cable:** A flat and flexible cable resists tangling so you never get tied up on a call.
- **Designed for business:** H650e works with *Microsoft Teams* and *Cisco*, and it's compatible with other popular calling platforms.

Connectivity	Connection type	USB-A
Audio	Microphone type	Bi-directional ECM noise-canceling mic
	Flexible mic boom	Rotate the boom up or down and bend it left or right to move it closer to your mouth.
	Sound quality	True wideband audio and digital signal processing (DSP)
	Hearing protection	Protection against sounds above 100 dBA. Compliant with EN 50332-2
	Designed for business	Compatibility

Part Number		
Region	Mono	Stereo
US, Canada	981-000513	981-000518
Latin America	-	981-000518
Europe, Middle East & Africa	-	981-000519
Asia Pacific	-	981-000545

Ease of use	In-line controls	Answer/end calls and adjust the volume with in-line controls. The volume-up button is built higher than the others, allowing you to control the call without looking away from your work.
	Mute status	Mute/unmute calls from the in-line controller. A red LED light on the controller provides a visual mute status.
	In-call indicator light	An LED indicator on the back of the boom provides a visual alert to those behind you that you are on a call.
	No-tangle cable	A flat and flexible cable resists tangles so you never get tied up on a call.
	Business grade materials	Padded leatherette headband and ear pads as well as strong TR90 nylon construction, a more durable material than ABS, with a higher level of resistance to everyday chemicals including hairspray and sunscreen.
General	Dimensions & weight	Headset: H x W x D 174 x 165 x 50 mm 6.85 x 6.50 x 1.97 in 120 g/4.2 oz Cable length: 2.1 m (6.9 ft)
	What's in the box	Headset with in-line controller Carrying bag Quick start guide and warranty info
	Warranty	2 years
